

Investment Transportation Investment Packages

Figure 5-5. Investment Package B – Roadway and Freight

Package B includes these notable, county arterial system investments:

Freeway on-ramp truck bypass lanes at selective interchanges on US 26 and I-5

Widen Highway 217 – from Beaverton to I-5

Highway 219 – safety enhancements (passing lanes)

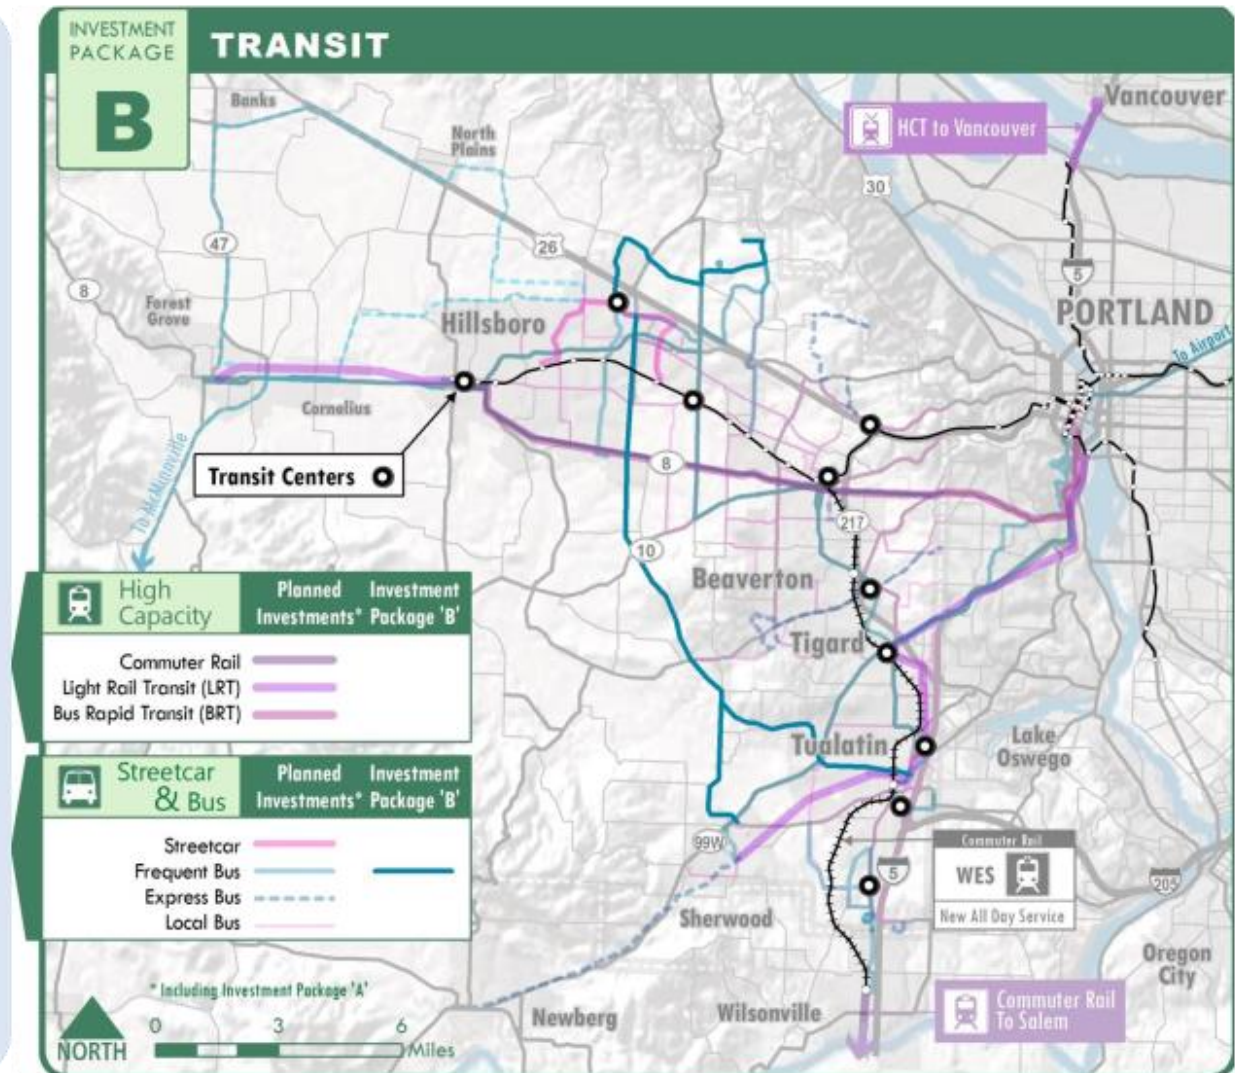

Local arterial street upgrades – on (1) Cornelius Pass Road (north of US 26) and (2) around Cooper Mountain

Improve and widen the Southern Arterial, between Sherwood and 65th Avenue

Figure 5-6. Investment Package B – Transit

Package B includes transit system Planned Investments and Package A investments, plus the following westside bus system enhancements:

Expanded frequent bus service
– linking Tigard/Sherwood and Beaverton/Hillsboro, with connecting service to new developments in River Terrace, South Cooper Mountain and South Hillsboro

Investment Transportation Investment Packages

Figure 5-8. Investment Package C – Roadways and Freight

In addition to Package A investments, Package C includes these notable, regional roadway and freight system investments:

Freeway widening with managed lanes – on (1) US 26, between North Plains and Highway 217, (2) Highway 217 between US 26 and I-5, and (3) I-5, between Wilsonville and downtown Portland

New limited-access parkway connector – including the (1) Northern connector, linking north Hillsboro (by tunnel) to Columbia Boulevard in north Portland, (2) North-South parkway, linking Sherwood and Hillsboro, and (3) Southern Arterial, linking Sherwood to I-5

New intercity connector – linking Forest Grove and Hillsboro

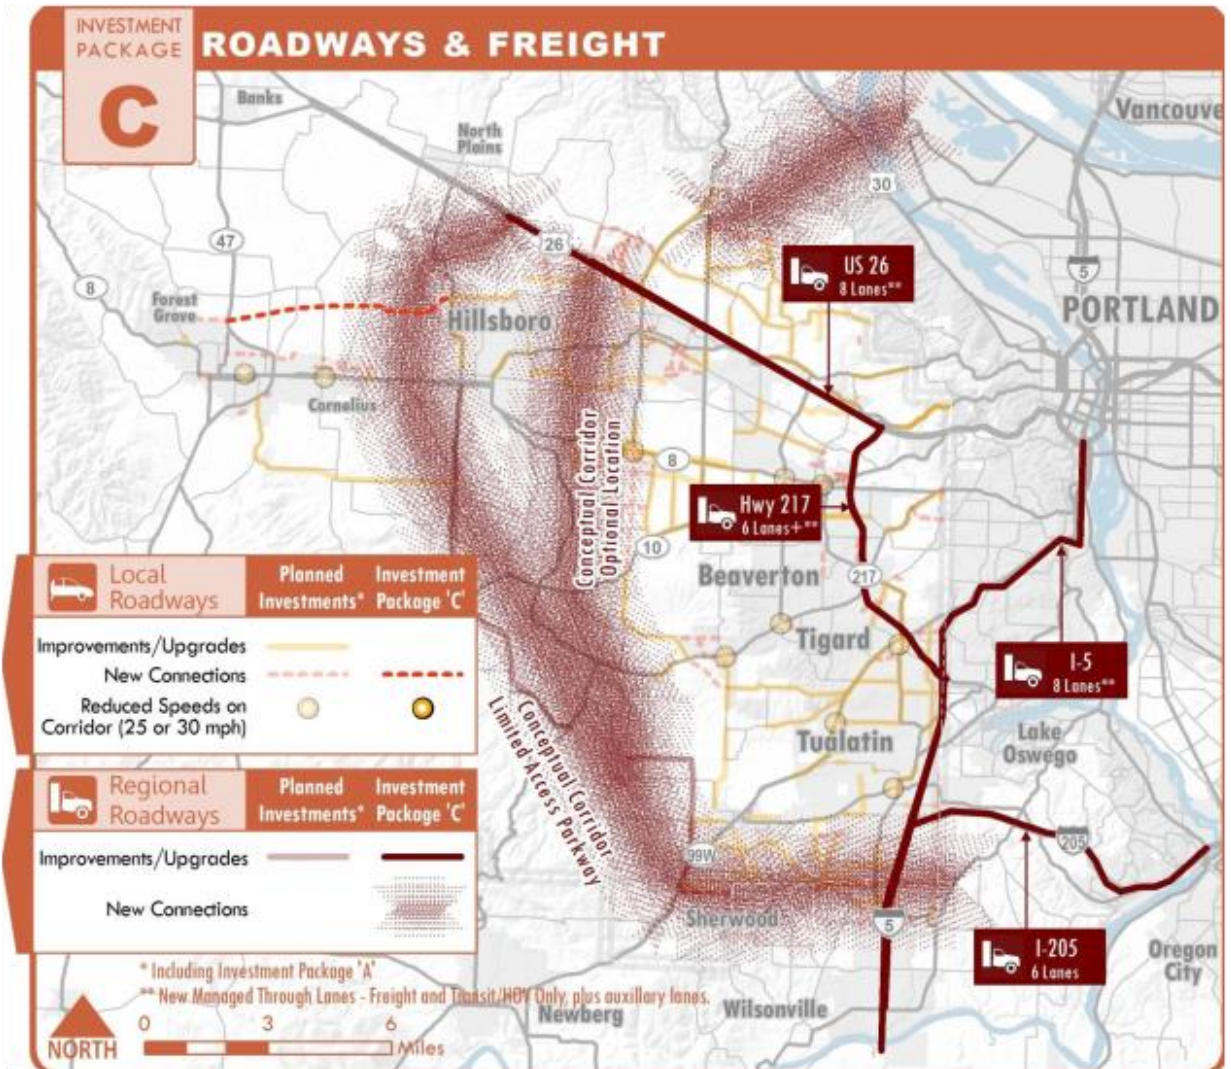

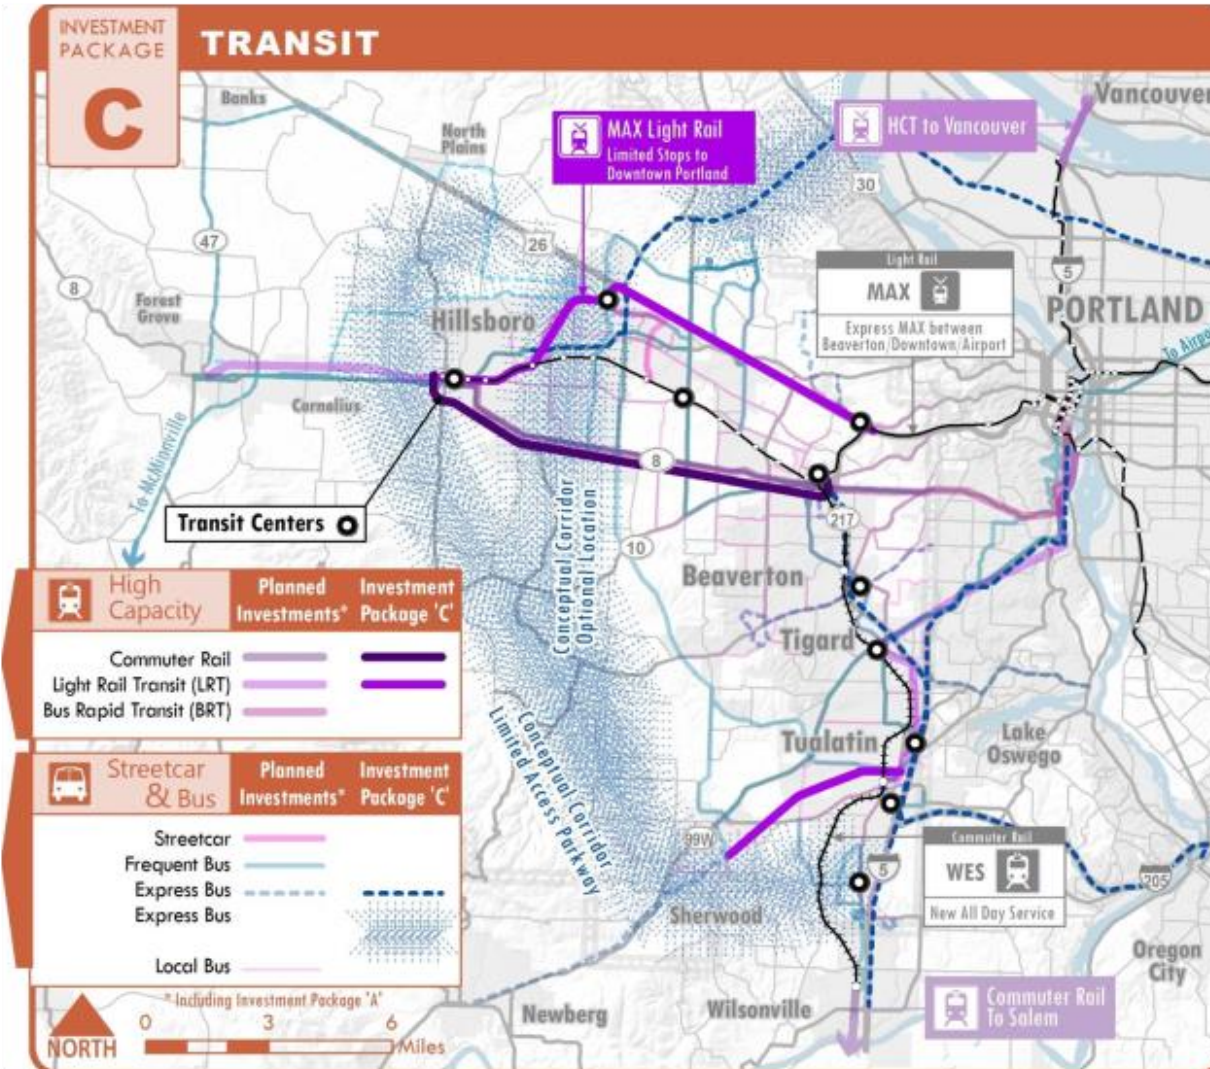

Figure 5-9. Investment Package C – Transit

Package C expands the westside transit system as defined under Package A, with notable high capacity transit and bus service through:

- MAX expansion** – between (1) Hillsboro and Portland with new alignment along US 26, and (2) Tualatin and Sherwood
- WES extension** – linking Beaverton and Hillsboro
- Express bus service** – linking (1) Tualatin, Sherwood and Hillsboro (along new north-south parkway), (2) Tualatin and Oregon City along I-205, (3) Hillsboro and North Portland (along new northern connector), and (4) Wilsonville and Portland (along I-5 in new HOV lanes)
